

Back to Music Night

The Music Department invites all parents of current band, orchestra and chorus students to attend Back to Music Night on Thursday, September 29th at 7:00 pm. We will meet in the LEMS auditorium for several musical performances and then move to each ensemble's respective rooms so that teachers may share more information on their programs. A parent from Howard County Parents for School Music will present to talk about music advocacy opportunities, as well as a representative from a local music store with required materials on hand for sale. Please contact Mrs. Retterer at

Jennifer_Retterer@hcpss.org

with any questions.
