

Dear Parents / Guardians:

We know that many students and their families depend on the Internet, whether at school, or at home, so they can do homework, search for jobs, access financial or government services and much more. The Bright Minds Foundation is teaming with Comcast to make affordable Internet service available to students and their families through a low cost home Internet service called Internet Essentials.

Features of Internet Essentials include:

- \$9.95 per month + applicable taxes with no term contract or credit checks
- No activation or equipment fees
- Wifi router included
- Access to an affordable desktop or laptop computer for just \$149.99
- Free in-person and online web classes

Now for the really good news: It's even easier and faster for your family to connect to Internet Essentials because your child's school has been pre-approved for a streamlined enrollment process. Any family with a child attending a school with 40% or more of students enrolled in FARMs is automatically pre-approved for Internet Essentials*. Families can call **1-888-972-5982** or apply online at *InternetEssentials.com*. You'll need to provide your contact information and school name. That's it. No other paperwork is necessary, and if you meet the program's eligibility, you will be pre-approved and could have home Internet within five (5) days.

We want all of our students to have the opportunity to do their homework at home, and we are excited to share information with you about programs like Internet Essentials from Comcast that may be helpful to your family.

For more details please visit brightmindsfoundation.org.

Sincerely,

The Bright Minds Foundation & Comcast

* To qualify for Internet Essentials, your household must be located where Comcast offers Internet service, have not subscribed to Comcast Internet service within the last 90 days and does not have an overdue Comcast bill or unreturned equipment in the past year. Pre-approval for the program is limited to families of students whose schools have a 40% or higher number of students who are eligible to participate in the National School Lunch Program. Internet Essentials from Comcast is a program to provide home Internet service for families. It is not a school or foundation program and is not required by your school. Your school is not responsible for Internet Essentials accounts. No school funds were used for this notice.
