

Youth Town Hall

What issues are you seeing in Howard County?

Join **Voices for Change Youth Coalition**, in partnership with **Howard County Association of Student Councils (HCASC)**, for a county wide-conversation about the issues that you feel are impacting our community. This Youth Town Hall provides an **opportunity for the student community to identify and prioritize its needs and develop action plans** through a facilitated conversation. This event aims to **engage young people** in creating community change. **Voices for Change and HCASC will share the thoughts and ideas from this event with community leaders from County government, County Council, and the Board of Education.** Parents/ Guardians are encouraged to attend and participate in a facilitated **concurrent Parent Workshop.**

Registration is strongly encouraged but not required.
