

SUMMER SCHOOL PREVIEW 2020

Program Descriptions

BSAP Summer Institute (Grades K-9)

The BSAP Summer Institute program extends learning by providing acceleration and enrichment opportunities to HCPSS students entering Grades K-9. In the morning, students take grade-level specific academic courses (reading/English and math). In the afternoon, students are offered a wide range of enrichment opportunities. Contact: SummerInstitute@hcpss.org or 410-313-1598.

Innovative Pathways (Grades 9-12)

The Innovative Pathways high school program is designed to provide diploma-bound students entering Grade 9, and current Grades 9-12, with opportunities to support academic achievement and acceleration. The program offers high school credit-bearing courses in a variety of content areas and levels.

Traditional, face-to-face courses meet in the morning. Blended and fully-online courses are offered in the afternoon. Contact: InnovativePathways@hcpss.org or 410-313-6627.

Gifted and Talented (G/T) Summer Institutes for Talent Development (Grades 1-8)

The G/T Summer Institutes program provides students entering Grades 1-8 with advanced-level instruction and enrichment experiences not regularly available during the academic school year. Rigorous instruction focusing on talent development is offered in mathematics, science, social studies, language arts, technology and fine arts. Contact: GTSummer@hcpss.org or 410-313-6671.

Enrollment Requests

Enrollment requests can be made by a parent, guardian, school counselor or achievement liaison. Before submitting an enrollment request on-site or online, please review the program descriptions, dates, times and locations. Early registration is highly recommended. Program availability may be limited during the later registration dates.
