Questions During the Presentation

The image shows a Zoom meeting interface. On the left, a video feed displays a woman with curly hair, identified as Melissa Shindel. On the right, a sidebar contains several interactive options: 'Breakout rooms', 'Polls', and 'Q&A'. A blue arrow points from the top of the sidebar to a green icon at the top right, and another blue arrow points from that icon to the 'Q&A' option, which is circled in blue.

- Breakout rooms
- Polls
- Q&A

Tonight's Presentation Is Posted on Our Website Questions & Answers will be Posted, too.

know a
child well.**

Learning and Leading with Equity

The Fierce Urgency of Now

VISION: Every student and staff member embraces diversity and possesses the skills, knowledge and confidence to positively influence the larger community.

MISSION: HCPSS ensures academic success and social-emotional well-being for each student in an inclusive and nurturing environment that closes opportunity gaps.

Four Overarching Commitments

VALUE

ACHIEVE

CONNECT

EMPOWER

The research says...

- The level of academic achievement that students attain by eighth grade has a larger impact on their college and career readiness MORE than anything that happens academically in high school.
- The earlier a student develops important academically related behaviors, the more likely these behaviors are to become habits.
- Middle school is a defining point for students in the college and career readiness process.

In accordance with state requirements, each year middle school students receive instruction in the following areas:

- English Language Arts
- Fine Arts
- Health
- Mathematics
- Physical Education
- Science
- Social Studies

English Language Arts, Social Studies, Science, and Mathematics offer a Gifted and Talented (G/T) option for instruction. Mathematics has an above-grade level course in addition to the G/T options.

Students are also required to receive instruction in the following during their middle school experience:

- Technology
- Financial Literacy
- Careers

Additional Course Options

- Family and Consumer Science (FACS)
- Technology Education (Tech Ed)
- Art
- General Music
- Theater
- G/T Research
- Reader's and Writer's Workshop
- Interventions in reading, ESOL, and/or mathematics
- Enrichment Seminars
- Other Elective Course Offerings

Performing Arts Options

Students in grade 6 will also get to choose from the following options:

Year-long performing arts classes:

- Band
- Chorus
- Orchestra

**Note: Students in math and/or reading interventions may not have these options.*

Grade 6 Courses & How They Could Look in a Day

Course 1	Full Year: English Language Arts (ELA)
Course 2	Full Year: Mathematics
Course 3	Full Year: Science
Course 4	Full Year: Social Studies
Course 5	2 quarters*: Physical Education , 1 quarter*: Health , 1 quarter*: Tech Ed
Course 6	<ul style="list-style-type: none">• Full Year: Band[^], Chorus[^], or Orchestra[^]• Full Year: ESOL, mathematics intervention or reading intervention• Quarterly*: Digital Citizenship, 21st Century Learning, Boost Your Brain, Reader's and Writer's Cafe

Enrichment Seminars

Where can I find out about Enrichment Seminars at LEMS?

The screenshot shows the Lake Elkhorn Middle School website. At the top, there is a navigation bar with the school name and a search icon. Below that is a secondary navigation menu with links for Home, About, News, Calendar, Our Staff, Services, Get Involved, HCPSS Resources, and School Resources. The main content area features a large banner image with three photos: students playing violins, a group of diverse students standing together, and a student working at a desk. Below the banner is a news article titled "2020-2021 Enrichment Seminars" dated Tuesday, 09/22/2020 at 8:34am. The article text includes a call to action to sign up, definitions of enrichment seminars, and lists of questions and answers regarding participation.

2020-2021 Enrichment Seminars

Tue, 09/22/2020 - 8:34am

It's time to sign up to participate in Enrichment Seminars!

What are Enrichment Seminars?

- Extension opportunities for all students who would like to do extra things outside of class.
- A chance to do something that is above and beyond what happens in regular classes.

Is extra work involved if I join an Enrichment Seminar?

- They do require work outside of regular classes, but most students enjoy them and do not mind the extra work.

Who can join an Enrichment Seminar?

- Anyone can join - you just need to sign up, and show up!

What Enrichment Seminars are being offered this year at Lake Elkhorn?

- Watch this [Enrichment Seminar video](#) to learn more about the different Enrichment Seminars we are offering this year.
- Enrichment Seminar options are: Book Club, Creative Writing, Debate, National History Day (NHD), Mystery Club, Photojournalism, Science Olympiad, Television Production.

2020 - 2021 Enrichment Seminars at Lake Elkhorn

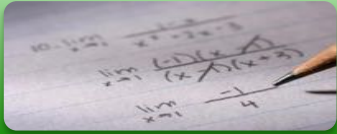

- Book Club
- Creative Writing
- Debate
- Mystery Club (Creative problem solving)
- National History Day
- Photojournalism
- Science Olympiad
- Television Production

G/T Content Classes

- Accelerated and/or Enriched Curriculum
- Advanced-Level Content
- Inquiry-Based Instruction
- Application of Knowledge

Middle School G/T Classes

G/T Math

G/T Science

G/T English

G/T Social Studies

G/T Mathematics

Provides an accelerated and enriched sequence that follows a curriculum of concepts at least two years above the general education curriculum.

- Grade 6: Pre-Algebra G/T
- Grade 7: Algebra I G/T
- Grade 8: Geometry G/T

G/T English Language Arts (ELA)

Extends the Maryland College and Career Ready Standards for English Language Arts through

- An accelerated pace,
- Reading and analyzing challenging and complex literature and literary nonfiction independently,
- Writing a variety of interpretive, and analytical pieces, and conducting independent research.

Differentiated tasks and texts are included at all grade levels.

G/T Social Studies

Provides an enriched and accelerated curriculum, including differentiated objectives, where students explore civic and cultural principles and engage in inquiries that focus on essential, related questions.

- Grade 6: Geography and World Cultures G/T
- Grade 7: Geography and World Cultures G/T
- Grade 8: United States History G/T

G/T Science

An enriched and accelerated curriculum where students explore cross-cutting concepts, as well as science and engineering practices.

- Grade 6: Earth Science G/T
- Grade 7: Life Science G/T
- Grade 8: Physical Science G/T

5th Grade Placement Review Process for Middle School G/T

All students are reviewed as part of G/T Placement Process using multiple data points:

- Ability Measure (CogAT from 3rd grade)
- Standardized assessments (MAP, 3rd grade MCAP)
- Student performance during ES content classes, particularly on tasks requiring critical, analytical, and/or creative thinking
- Documentation from families

Parental Input in Placement Review Process

If after reviewing the Placement Committee's professional recommendation, parents/guardians still wish to enroll their students in one or more G/T classes, they may complete the Course Placement Review request online through Synergy

The deadline to submit the CPR form is February 15

Who can initiate the placement process in middle school?

- Families
- Teachers
- Students

Measures Included in the Placement Process

- Ability Measure (CogAT)
- Standardized assessments (MAP, MCAP)
- Student work samples
- Interpretation (Critique, Analysis, Creative Problem Solving)
- Student grades on assignments requiring critical, analytical, and/or creative thinking
- Documentation from families

Middle School GT Research Class

- Authentic research to address real-world problem
- For students enrolled in G/T Math and G/T ELA based upon G/T Placement Committee recommendations

Research

- Original
- Primary Research Methods
- Authentic Product
- Authentic Audience
- Contribution to the Community/Field

Opportunities for Parent Engagement

Finding the Right Balance Between

- Course Placements
- Rigor
- Personal Interests
- Student Success

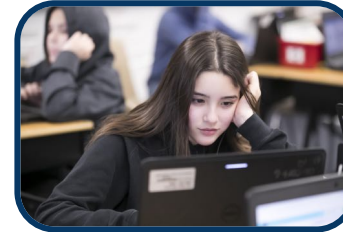

Academic Behavior

Motivation and behavior, combined, have more impact on a student's readiness than academic achievement.

-LearnED by Pearson

The earlier a student develops important academically-related behaviors, the more likely these behaviors are to become a habit.

Supporting Academic Behaviors

At Lake Elkhorn , staff and students:

- Start with the goal in mind
- Do what they do best, every day
- Celebrate effort and achievement
- Engage in positive experiences each school day
- Create excitement for the future.

3 Ways To Support The Whole Child

LearnED by Pearson

1. Teach kids that intelligence isn't fixed. They can grow their brains through lifelong learning.
2. Talk to students about college and potential careers. Tell them you believe in them and in their success.
3. Keep the communication lines open - set aside time to regularly talk about feelings and friendships.

Tips For Parents: Supporting Your Child's Development Of Positive Academic Behaviors

- Ensure that your child has the supplies and a place to study at home.
- Set a regular time for homework.
- Encourage your child to be responsible for chores and homework.
- Provide your child with a range of experiences to allow him/her to identify areas of strength.
- Talk to your child.

Important Dates

Date	Activity
Today! 😊	Follow us on Twitter! @hcpss_LEMS 
Today! 😊	Follow the principal on Instagram @principal_shindel 
2/3/21	Course Recommendations for rising 6th graders are available in Synergy for parents/guardians to review.
Deadline: 2/15/21	Parents will enter student course requests in Synergy
Deadline: 2/15/21	Parents will complete a Course Placement Review (CPR) as appropriate.
5/17/21	Virtual Rising 6th Grade Visit (<i>virtual field trip</i>)
August 2021	6th Grade Family & Student Orientation (<i>the week before school starts</i>)
